RE: Docket No. RM2017-3

Dear Commissioners:

We join the National Catholic Development Conference (NCDC), the Alliance of Nonprofit Mailers, and the nonprofit mailing community in urging you to reconsider your proposal to increase postage rates several times the rate of inflation. Increases that are estimated to reach 7 percent a year, or 40 percent compounded for five years, will not reform the United States Postal Service and will have a major negative impact on both the agency and its customers.

As a nonprofit, we rely on mail for the majority of our fundraising. But we operate on a limited, fixed fundraising budget each year, so if postage goes up as much as you contemplate, we will be forced to greatly reduce our mailings. This will have a disastrous impact on our revenue and our mission.

Our mission is continuing the work of Saint Jeanne Jugan offering the neediest elderly of every race and religion a home where they will be welcomed as Christ, cared for as family, and accompanied with dignity until God calls them to himself.

Please do the right thing and reconsider your proposal.

Sincerely,

Little Sisters of the Poor

Sister Patricia Mary
